Symposium will be held in

in the Central Building of the University of Novi Sad, Novi Sad, Republic of Serbia.

We are inviting you to participate in the symposium and with your paper contribute to development of power electronics. The purpose of the symposium is to provide a forum for presentation and discussion of the state-of-art of Power electronics and related areas. Submitted papers should not have been previously published and should present theoretical or experimental research results as well as results of application of developed methods in engineering practice, presentation of engineering solutions and devices, practical experience in power electronic devices exploitation etc.

All papers will be reviewed. Accepted and presented papers will be published in the Ee 2019 Conference Proceedings and submitted to IEEE Xplore®. Conference proceedings is indexed in Web of Science and Scopus.

The 20th International Symposium on Power Electronics is organized by Power Electronics Society of Serbia, Faculty of Technical Sciences-University of Novi Sad and Institute "Nikola Tesla" Belgrade. It will be held on the

23th – 26th Oct. 2019 at the University of Novi Sad, NOVI SAD, SERBIA

Submission of papers

Prospective authors are invited to submit a full paper (up to six pages of A4 including figures, tables, references etc.). Each paper should be prepared according to the Ee Paper Guidelines (template). All papers will be blind reviewed by three independent reviewers. Accepted papers will be available through IEEE Xplore, provided that they are presented at the conference.

All summaries should be submitted using ON-LINE conference system.
